## **Doubter Turned Scholar: Gary Habermas**

### **Who is Gary Habermas?**

**Gary Habermas is a world-renowned historian and resurrection expert.** As a young man in college, he began to have serious doubts about Christianity. So, he decided to do his Ph.D. dissertation on Jesus' resurrection – *the*

*foundational event of Christian faith.*

Because he was studying at a secular university, he was allowed the topic but told that **he could only use the New Testament if he could affirm the individual passages apart from faith.** Despite that limitation, *he successfully earned his Ph.D. in History and Philosophy of Religion.*

How did he do it?

**Dr. Habermas will share this and more of his research at the Jesus On Trial Apologetics Conference.**

This is a must-attend session.
