## "FEARLESS FAITH" – CONFERENCE FOR TEENS AND YOUTH

The "Fearless Faith" Conference took place on September 16-17 at *Second Slavic Baptist Church*. The conference was geared toward youth who are exposed to many problems in educational systems and who search for the way to defend and affirm their faith. Great speakers were invited who were atheists in the past, but are now devoted and mature Christians. They clearly explained and pointed to what is important in selecting an educational institution, how to talk to atheists, especially with the professors who as devoted atheists teach theological disciplines in colleges, and shatter wavering faith of the youth.

The conference was in English and the speakers were: Frank Turek, Dr. of Christian Apologetic, Jim Wallace, Cold Case Homicide Detective and Mark Adams, professor of Criminology. All of them work with students and youth in the Cross Examined ministry.

If you did not have the opportunity to attend the conference, you can watch the

## CAMPS IN URENGOY

The majority of the people think that summer is the time for rest. But for missionaries, summer is the time for evangelism. Over the course of many years the youth from *First Slavic Baptist Church* go to mission to Urengoy - a populated region in the Tyumen province in Siberia. The distance from Moscow to Urengoy is 1567 kilometers. The winter lasts 10 months and the summer is a mere 30-35 days. Summers are cold and windy. The July temperature reaches only +15°C, and in the winter - 47°C. Urengoy is located in the region of perpetual ice.

A youth group consisting of 12 members has recently successfully returned from a visit into this region. They held a children's camp there. The details of this trip can be found in the article by Emiliya Guseva at the Association's website - [click here \(The article is in Russian only.\)](#)

## TRAM MINISTRY IN SACRAMENTO

Sometimes God uses His children in the most unexpected places. The group of members of *Rockland Church* He uses in Reno-city full of casinos, where people go willingly to waste their hard-earned money, and where often people lose not only their money, but also their souls. Over the course of a few years now, God also uses the youth of this church in especially difficult ministry-ministry in the trams of Sacramento.

Right from the start it is important to note that the trams of our city significantly differ from the trams of the former USSR. Those who have never ridden the trams of Sacramento can't imagine the demographics of the passengers. On the workdays the passengers are for the most part decent people who are rushing to work in the downtown area. On the other hand, on Sundays the passengers are those with whom most of us wouldn't want to even stand next to. However, these people need salvation and the Gospel.

To find out how the Gospel is preached there, read the article by Emiliya Guseva at the Association's website - [click here \(The article is in Russian only.\)](#)

## VISITORS FROM GERMANY AND AFRICA IN OUR CHURCHES

Representatives of our partnership organization "New Fields", Willy Dayker and Willy Dick, along with guests from Africa visited a number of our churches in Sacramento. Among those present were the president of the Baptist Union of the Southern Sudan Edward Dema and General Secretary of the Baptist Union in Kenya Peter Olanapa.

Colorfully dressed, our African guests shared about the sometimes unbearable conditions in which our brothers and sisters in Christ live in Africa. How they, while being poor themselves, try to help those who are victims of local wars and raids of different criminal gangs. It was especially encouraging to hear how the Gospel is being preached there and how quickly the churches are growing.

## SPECIAL PRAYER REQUEST

Over the course of many years in the regions of Sacramento, Portland, and Spokane the Russian Christian Radio - InterRadio was aired around the clock. The users-subscribers of the radio were for the most part elderly listeners; some of them are bedridden, blind, lonely, and incapable of using television or internet.

Two weeks ago, the station which broadcasted the program without specifying any reasons, has revoked the contract with InterRadio. The broadcasting of the radio ended, and hundreds of listeners are left without this connection with the world and churches. As some of them state: "By cancelling the program, you have made us not only blind and deaf, but you have also took our daily bread because previously we could listen to sermons and church services on the radio around the clock."

In order to start up the broadcasting at a different station, a substantial financial investment is necessary, as well as the upgraded equipment, extended search of a suitable station, and then the intense negotiations and the inspections necessary to finalize the new contract.

If you have some relatives or friends who used this radio, please tell them about the situation with the InterRadio. Please also pray that the Lord would take care of all the issues related to reinstating the around the clock broadcast and would help resume the Christian radio for God's glory and for the benefit of the listeners.
